About Odysseyware

ODYSSEYWARE® has over a decade of experience as a leading provider of online curriculum and eLearning solutions for public, virtual, charter and alternative schools. Used nationwide by thousands of schools, Odysseyware's learning management system and research based and proven core curriculum, assessments, and robust and targeted learning tools, provide administrators, teachers and students with powerful learning solutions that can be utilized in a myriad of instructional settings. Administrators enjoy innovative, time-saving reporting and benchmarking tools, automatic grading functionality, search and filtering capabilities.

Odysseyware is ideal as a complete, stand-alone curriculum, or can be used for blended and flipped classrooms, alternative and special education, credit recovery, RTI, 1:1 and much more. Core subjects include math, history and geography, science and language arts. Electives include Career Technical Education, business, fine arts, health and world languages.

Odysseyware was intentionally designed to meet the needs of 21st Century Learners and address diverse learning styles, by incorporating embedded interactive, multimedia instructional videos, learning games, rich illustrations, and animations. A text-to-speech function is perfect for auditory learners and Odysseyware's translate is a strong resource for ELL programs. Odysseyware is also fully customizable, allowing teachers to set and adjust unique learning paths tailored to individual student needs and to align with unique state standards and instructional scope and sequences. Additionally, Odysseyware's exclusive Teacher Authoring Tool allows educators to easily create customized and differentiated lessons, projects and tests that integrate with assessment and remediation.

To ensure successful implementation, Odysseyware's Customer Engagement and Professional Development Divisions provide superior professional development and ongoing training through on-site sessions, webinars, online training tools and more. Through the efforts of a devoted team of curriculum developers, subject experts, trainers, and support staff, Odysseyware remains dedicated to helping all students achieve success.
