HOW UPA WORKS

EARNING YOUR HIGH

SCHOOL DIPLOMA

Using the DELANEY SYSTEM EPOD method of teaching (Education Point of Distribution).

1. The EPOD information dissemination . EPOD retention is 80%.
2. Instructor traditional, or one on one, or self study instructor guided or logon to our online accredited online courses at www.xtralearning.net.
3. We use *any credits you have already earned* to build your transcript. No GED at UPA, real transcripts built using your old credits from high school. You earned them!

Students present a valid high school transcript verified by high school registrar. Student and guardians review the State of Texas Law regarding Home Schools and Private Schools.

1. Student credits are transferred to the UPA transcript .

2. Transcript verification is sent to high school and a VOE (verification of enrollment) is sent from UPA to high school notifying high school of student enrollment in UPA.

3. Student must properly withdraw from the high school or they will show as drop outs and may be subject to fines.

4. Student signs an order for Transcript Request .

5. Student overall fees are based on the number of credits needed and how much teacher involvement is needed. Options are online. www.xtralearning.org or hardcopy.
